Poly-urethane Bushed Motor Mount Assemblies

FE Block Ford

Features

- Small-block (fixed and adjustable) and big-block (fixed) mounts
- Captive mounted poly-urethane bushing
- Fixed Mounts - Fore/aft position shimmable within 1/2" range
- Adjustable Mount - 3" range of fore/aft adjustment
- Double-shear, through-bolt design
- Zinc plated components and hardware
- Replacement bushing and sleeve sets available

TCP MM-FD-03
Replacement Bushing Set
Includes : 4 bushings, 2 sleeves

Our poly-urethane bushed motor mount assemblies provide a high performance, direct replacement alternative to bonded rubber factory mounts and are available for small block and big block applications. A unique, double-shear, through-bolt design eliminates any chance of motor mount separation during normal use. Fixed-style mounts use shims on either side of the urethane bushing to allow the fore/aft position of the motor to be varied within a 1/2" range centered at the stock position. Adjustable-style mounts (small-block only) feature a slotted engine plate allowing three inches of adjustment centered at the stock position. The mount features graphite impregnated poly-urethane bushings with seamless internal sleeve and external housing. Transferred vibration is increased over factory levels but without the harshness commonly found using completely solid mounts.

The welded assembly features heavy-duty motor plates (Big Block 1/4" thick, Small Block 3/8" thick) with a 3/16" wall, tubular bushing housing. Frame adapter plates are 1/4" thick with slotted motor mount holes to make allowance for chassis variances and simplify installation. All mounting hardware is grade 8 and included.

Model	Year
Comet	1960-1965
Cougar	1967-1970
Cyclone	1964-1965
Falcon	1960-1965
Mustang	1964-1970
Ranchero	1960-1965

Part Number	Description
TCP MM-FD-02	Windsor - 260, 289, 302, 351 (Fixed)
TCP MM-FD-04	Windsor - 260, 289, 302, 351 (Adjustable)
TCP MM-FD-02	Cleveland - 351, 400 (Fixed)
TCP MM-FD-01	FE - 390, 427, 428 (Fixed)
TCP MM-FD-03	Replacement Bushing Sleeve Set

Small Block Ford Mounts

Fixed-Style Mount (TCP MM-FD-02)

Shimmable 1/2" adjustment range

Adjustable-Style Mount (TCP MM-FD-04)

Slotted 3" adjustment range
